Attention: J. D. Stevenson

Dear Mr. Stoner:

Per the provisions of 23 CFR 450.216, the Illinois Department of Transportation (IDOT) hereby presents an administrative modification to the current Amended FY 2009-2012 Statewide Transportation Improvement Program (STIP) for a American Recovery and Reinvestment Act (ARRA) funded project.

Attached is an administrative modification to add ARRA-Enhancement funds to a state STP funded project that is currently in the STIP. The public involvement has been fulfilled as part of the prior STIP requirements.

We consider the estimate of costs included in the STIP to be realistic. We concur with the fiscal consistency analysis included in the STIP. The total cost of the STIP remains consistent with the amount of funds expected to be available to this area during the STIP time period. The department, on behalf of the Governor of Illinois, concurs with the projects listed in this STIP.

Please contact our office if you have any questions at (217) 782-6289.

Sincerely,

A handwritten signature in black ink, reading "Charles J. Ingersoll".

Charles J. Ingersoll, P.E.  
Acting Director
